

STRUMMING THROUGH THE WILD

A Musical Safari Adventure

FROM 4TH TO 9TH & 10TH TO 13TH NOVEMBER 2025

Welcome to an extraordinary journey where the enchanting rhythms of Africa meet the sweet sound of the ukulele.

This is not just a safari; it is a melody of experiences, a unique fusion of adventure, culture, and the joy of giving.

This extraordinary **KENYA** journey combines wildlife adventures with musical connection across stunning landscapes. Explore national parks to witness majestic animals in their natural habitat, then gather around evening campfires to create songs inspired by the daily events.

But the most harmonious note of this journey is the opportunity to **GIVE BACK.**

During a special visit to local schools, you will share the joy of music with children by donating ukuleles and spending time creating melodies together. This moment of cultural exchange and kindness will resonate long after your journey ends, leaving a lasting impact on the community and indelible memories in your heart.
